LESSON FOR NOVEMBER 23 | their home people here. JESUS CORRECTS JOHN'S NAR-

ROWNESS.

tion amore the disciples as to who merous around Hurtsville, four should be the greatest. Jesus had just being in operation in and announced his coming death on the around us and a fifth one is excross, admonishing them to let his sayings sink down into their ears (v. 44). pected in about a week. They were disputing among themselves Mr. J. A. Forbes has been ill as to who would be the biggest man which prevented him opening not depict a condition where rebuke his store on appointed date,

2. The method (v. 47). He "took a child and set him by him." Teaching by object is one of the best of methods In this Jesus showed himself to be the ing, namely to know the pupil and to tense, after the election of a translate knowledge into terms adapt- week ago, but no immediate He perceived even the thoughts of the outbreak is feared. The two disciples and met their need. When political factions representing they were conscious of his knowledge of them they were ashamed (Mark parties, respectively, are still

soever receiveth this child in my name receiveth me." So completely is Christ identified with those who are childlike in spirit that he regards treatment of himself.

The teaching (v. 48). (1) who below the profit that the opposite faction had become amalgamated with those who are childlike in spirit that he regards treatment of himself.

South, we are of the opinion that fall setting or early winter setting is decidedly the best.

Well informed Cumberland setting is decidedly the best. ment of them as treatment of himself.

Considerable misinformation citizens state that the trouble And in this connection, we terra cotta and ivory, beautifully carved and must have been fascinating has gone out to the press in regard to the affair. The contest this year was between R. O. Garrett, formerly deputy clerk, and Charles W. Dickinson, forgrent." The one who in self-forgetful service takes the lowest place is truly the great one. This is the supreme law of Christian discipleship. In Jesus we see the one who was incomparably and control of the first one of the service takes the new who was incomparably and control of the first one who was incomparably and control of the first one of the first one who was incomparably and control of the first one who was incomparably and control of the first one who was incomparably and control of the first one who was incomparably and control of the first one who was incomparably and control of the first one of the first one who was incomparably and control of the first one who was incomparably and control of the first one who was incomparably and control of the first one who was incomparably and control of the first one who was incomparably and control of the first one who was incomparably and control of the first one of the firs

1. The case cited (v. 50). The distance out devils in Larkin Garrett, from King of A. L. Pitts, a prominent has been that it pays to depend etples saw one casting out devils in Christ's name, but because he refused William county, about 10 years business man of Arvonia. He upon the strawberry plants Christ's name, but because he refused to follow them they forbade him This spirit is liable to seize those who been prominently identified business man of Arvonia. He was educated at Hoge Military only for two full crops. Then Academy and the University it is best to plow them up and the University of the crops and plant. are really zealous for Christ. It often expresses itself against those who do not belong to one's particular church life and making many friends life and making or sect. In determining whom we and many bitter enemies. the latter institution a number of years and taken both the in some other place. Those should admit to fellowship two questions only need be asked (1) Are devils really being cast out? (2) Are they he lives, and among former has been practicing law in berries, that is the most of being cast out? (2) Are they no fives, and among to have cast out in the name of Christ? county officers, he is politically Buckingham, Albemarle and them make it a practice to set The plain implication of Christ's words in Matthew 7:22, 23 is that one may in Matthew 7:22, 23 is that one may even cast out devils and be a stranger thern and extreme southern number of years, his principal The Progressive Farmer. thern and extreme southern to the Lord. There is a supernatural work which is not divine, so unless the mighty works are done "in the name" of Christ a Christian should not fellowship the miracle worker.

2. The principle declared (v. 51). "He factions have occurred frequently within recent years, that is not against us is for us." This truth is positively stated in Luke 11:23, "He that is not with me is against me." Garrett generally winning the elections. About four years when it comes to man's attitude to and carrett and Charles Corson the state. Nowe "He that is not with me is against me." elections.
